

## #MSDStrong

Mission accomplished.... 140 quilts pieced, quilted, bound, plus 100 pillowcases were delivered to Marjory Stoneman Douglas high school. Many thanks to over 60 volunteers who worked on the quilts, the Home Economics Students at Calvary High School who made the pillow cases for the quilts and all of the donations from our vendors who made this project possible. A special thanks to Donna and Brenda for having the leadership to see this project through and to our long-arm quilters who quilted all of the quilts. A very special shout out to Kathi Cochran for quilting almost 70 quilts!

***Thank you for Sewing a little Love!***
