Textile File:

Each issue we will feature this NEW column about textiles.

Most woven textiles start as fibers, which are spun into yarn then woven into fabrics and may receive a finish and/or dye.

You may e-mail me: cynthia@cynthiasfinefabrics.com with your questions concerning: Fiber, Yarn, Weave, Fabric, and Finish. In the "subject" type "Textile File". Then check this column for a reply (return e-mails will also be sent).
